AIL DIVISION 2A

**SAT 11<sup>TH</sup> DECEMBER 2.30PM**  
**MUSGRAVE PARK**

Programme design by Cola

On behalf of everyone at Energia, I'd like to say how delighted we are to see the Energia AIL resume for the 2021/22 season.

Following the most challenging of years, the absence of sport has been a reminder of how important it is in our lives and we hope that the return of the Energia AIL will help to reignite the passion for our grassroots game in communities across the country.

We would like to acknowledge and thank the clubs, players and volunteers for their efforts to incorporate and adhere to the health and safety requirements and guidelines that have allowed for the safe return of teams and supporters. This has been a significant undertaking.

This year we celebrate 30 years of the All Ireland League and now more than ever it's important that we harness the power of #PositiveEnergy that is the core of Energia's commitment to rugby at all levels and to shine a light on the quality of our grassroots game across the 60 clubs partaking in this Energia AIL.

We are excited for everyone involved in the game of rugby to get back in their clubs, on the buses and on the pitches. After a long period on the side-lines, we're sure this will be a very special season.

# Welcome from the President of Dolphin

It is my great privilege and honour to welcome you all to Musgrave Park for the 2021/2022 season. I hope you enjoy the warm and friendly atmosphere of our Club.

This is the 119th season in the history of our Club. Such history forms an important part of the ethos of our Club. The tradition of Equality, Sportsmanship, integrity and love of the game have been ingrained in us by the generations who have gone before us in Dolphin RFC.

The future of our Club lies in our Under Age structure for both boys and girls. We are deeply indebted to all the coaches volunteers and parents who freely give of their time. The future of our great Club is in very good hands.

I am particularly delighted with the introduction of Women's/Girls rugby into our Club this season. They are welcomed with open arms and I'm quite certain they will make an enormous contribution to our Club.

We could not exist without the financial support of our sponsors. We are indebted to our Main Sponsors, Kearys Nissan and our sponsorship partners McDonalds and Readons and our all our other team sponsors, pitch and programme sponsors. I strenuously urge all members and their families to support our sponsors and put as much business as possible their way. They deserve our full support.

To all our volunteers, thank you. Without you, our Club would not exist. You make our Club the vibrant, fun filled place that it is.

To all our teams, good luck for the season. Make our Club proud by playing good running Rugby and very importantly give all referees 100% respect as without them there is no Rugby.

## **DOLPHIN LEGEND**

### **SQUADRON LEADER**

# **WILLIAM (BILL) IGOE**

Born in 1911 in Nenagh, Bill was educated at Pres Bray, where he started showing his abilities at rugby and was selected for Leinster Schools against both Connacht + Munster in 1928-29. He moved to Cork and studied Engineering at UCC and joined Dolphin where he won a Munster Senior Cup medal in 1930-31 and completed the double by winning a Munster Junior Cup Medal with Nenagh Ormond the same season.

He received a scholarship to study aeronautical engineering at the London College of Aeronautical Engineering. Having qualified 2nd in his class he opted for a commission in the RAF . He joined in October 1933 and started learning how to fly. A year later he had earned his wings and was confirmed as a pilot officer, flying fighters and then Flying Boats.

At that time he was spending as much time playing rugby as he did flying, playing for London Irish, RAF and Hampshire. It was the rugby and not the flying had him in hospital three times with broken bones in the following year.

He represented the RAF at rugby and boxing and then took an interest in squash and played it to a high level. After a few pints one evening in Spring 1935 in the isle of Wight where he was based he learned another flying boat was missing. He and a crew mate realised they had seen the other boat and they were waving at them. They went to their CO to tell him what they knew.

They offered to fly back, the CO said, are you playing rugby for the station tomorrow, without you Igoe, we will probably lose, so you are staying here. He played the following day but never flew a flying boat as he was injured in the game and when he was released from hospital he was sent back for a refresher course on a single seat fighter. His next game of rugby was for the RAF in Egypt.

In September 1935 he was back in Essex, back at out half for London Irish first side, he was offered a place in the final Irish Trial but was unable to attend due to service commitments. According to his son Brian in his book "To fly is everything" It cost him an Irish cap, the man who was picked for Ireland was playing on the London Irish 2nd team.

He was very lucky in 1937 to walk away from a plane crash, the plane had been on fire, he rolled in the grass to put out the flames on his clothes. He had significant 3rd degree burns and it was touch and go and he spent four months in hospital.

In the 1938/39 season he was vice captain of London Irish, nine of the team were lost in the 2nd World War. He went from flying officer to Squad Leader in 54 weeks. He had another close encounter in 1940 at RAF Biggins Hill, there was a bombing raid going on and he and a flight sergeant approached the gate by car from different directions. It was his right of way, but he waived Bill through. Bill acknowledged it and insisted the sergeant go through first. He did and as soon as he went through the gate his car was hit by a bomb and he was killed.

## MARIE O'CALLAGHAN RIP

We learned on Wednesday with great sadness of the passing of Marie.

JV & Marie have been a big part of Dolphin since the mid 70's. Originally they were heavily involved in the Youth Section and teens of the 70's & 80's still fondly remember Marie as a wonderful person.

Together JV & Marie would follow Dolphin up and down the country and when the games were at home Marie would be heavily involved in the Dolphin Ladies Committee.

JV (or Vince to Marie) was Club President in 1996/97 and it was Dolphin's most successful season in living memory. Promotion to Division 1 for the first time and the Minor's name inscribed on all five Minor trophies. Marie most have walked the side-line encouraging the lads at nearly every game.

In a year that we see so many Women and girls playing for Dolphin, we must acknowledge that Marie was proud to be one of the first Women members in the club.

Throughout her illness, she was lovingly cared for by JV, their sons Tony & John and daughters in law Amanda & Brigid.

Marie left a lasting impression on people, she was always so welcoming, known by and a friend to all.

Our thoughts are with JV & the family in this tough time.

We would like to recognise the generosity of our members and the Friends of Dolphin who contributed to the success of the Club in the sales of the Your Club Your Country tickets.

Last season with had a 4th place draw winner, unfortunately this time around we did not feature, only one prize was won in Munster.

With an ambitious target of 1,000 ticket sales, Club Chairman Noel Hickey, Dave Kirk and a very small number of volunteers hit the target with a couple of days to spare, and even exceeded it by a small number . The IRFU confirmed that we were one of 21 clubs that hit the 1,000 ticket sales, and the effort in the final 2/3 days brought the club to 10th overall. Interestingly the top eight selling clubs were Junior Clubs, we were the 2nd Senior Club, a further 22 tickets and we would have been number one. Speaking of number one, the top selling club generated revenue of almost €24,000.

Thanks again to everyone who contributed to the running costs of the club and the volunteers who contributed to the raising of these so necessary funds under the current environment.

# 1946 CHARITY CUP FINAL

Irish Examiner 1941-current, 16.12.1946, page 8

## Trophy Goes To Dolphin

**DOLPHIN, 9 Pts. CONSTITUTION, 3 Pts**

**D**OLPHIN captured the Cork Charity Cup when they defeated Constitution by 1 penalty, 2 tries (9 points) to 1 penalty goal (3 points) at the Mardyke on Saturday. The pitch was very heavy after the recent rain and this militated against accurate handling, with the result that the back movements of both sides lacked cohesion.

The winning forwards did better in the tight, especially in the first half, but the backs were not impressive, and failed to avail of the many opportunities that came their way. B. O'Hanlon, on the wing, getting only one real chance to display his speed when he scored a try from a well-judged cross kick by his centre, M. O'Hanrahan, in the opening half.

Previous to this Reg O'Shea maintained his goal kicking record by landing a nice penalty from thirty yards out. Con. replied with a short range penalty by T. Kelly before the interval and this concluded the scoring up to half time, leaving Dolphin leading by 6 points to 3.

Constitution were without Lehanne on resuming, but the seven forwards kept play at the Dolphin "25." The backs, however, could make no head-way and the nearest they got to scoring was when T. Kelly failed with two fairly easy penalties and a shot for a goal by Greydon which went wide. Towards the end Dolphin forwards were very lively in the loose and mistakes by the Constitution backs saw the opposing forwards going for the line in a fine rush which ended in McCarthy crossing at the corner to put the issue beyond doubt.

The close, keen struggle between the two packs was the feature of the game, with the backs on both sides giving a mediocre display, as their handling was faulty and passing movements were lacking in thrust and straight running.

The winning backs looked more likely to score as their forwards gave them ample opportunities to utilise their superior speed, but as mentioned cohesion was lacking. The Con. backs had plenty of the ball but they never looked dangerous and they also lacked cohesion. Once in the first half Ned Murphy and T. Riordan got away in a good inter-passing movement, but the former was overtaken and pulled down just outside. As mentioned neither side looked like scoring from constructive back play and the superior dash of the Dolphin pack in the loose play was the deciding factor.

Jones at full-back for the winners played a sound game and J. McCarthy, P. O'Leary, R. Murphy and Dave O'Loughlin were always prominent. N. Nunan did well for the losers and Ned Murphy as usual tried hard to get his backs going. T. Horan, D. Crowley, J. Irwin and D. Lehanne, up to his retirement, were the hardest

workers in the Con. pack. The light was very bad when the game finished and the Munster Branch I.R.F.U. should adopt the starting hour of the other provinces, where all matches start at 2.30 during this period of the season.

Constitution opened from the river end and even play between the two packs was the order during the opening stages. Dolphin forwards took play to their opponents' "25" where from a penalty Reg O'Shea opened the scoring with a good goal. Still keeping up the pressure the Dolphin backs got going and after a burst through the centre M. O'Hanrahan, cross-kicked to the right wing, where Bertie O'Hanlon outpaced the defence to score a fine try. Con. backs got away after the kick-out and T. Riordan and E. Murphy were seen in a good passing run along the stand side but speedy Dolphin backs prevented a score, Ned Murphy being taken down just outside. The Con. forwards confined play to the Dolphin line and from a penalty at short range, T. Kelly kicked a goal. Half-time score: Dolphin 6 points; Constitution, 3 points.

The Con. pack who were without Lehanne put great dash into their play and the game was for a long period fought out at the Dolphin "25," good kicking by E. Murphy and N. Nunan helping to keep up the pressure, but the backs never looked like scoring. Towards the close, in failing light the Dolphin forwards headed by O'Leary and McCarthy got going in a good rush, the last named gathering to cross in the corner for a try which was not converted. The whistle went soon after, leaving Dolphin winners with the score as above.
