

Dolphin v Old Crescent

AIL DIVISION 2A

SAT 26TH FEBRUARY 2022

Programme design by Cola

On behalf of everyone at Energia, I'd like to say how delighted we are to see the Energia AIL resume for the 2021/22 season.

Following the most challenging of years, the absence of sport has been a reminder of how important it is in our lives and we hope that the return of the Energia AIL will help to reignite the passion for our grassroots game in communities across the country.

We would like to acknowledge and thank the clubs, players and volunteers for their efforts to incorporate and adhere to the health and safety requirements and guidelines that have allowed for the safe return of teams and supporters. This has been a significant undertaking.

This year we celebrate 30 years of the All Ireland League and now more than ever it's important that we harness the power of #PositiveEnergy that is the core of Energia's commitment to rugby at all levels and to shine a light on the quality of our grassroots game across the 60 clubs partaking in this Energia AIL.

We are excited for everyone involved in the game of rugby to get back in their clubs, on the buses and on the pitches. After a long period on the side-lines, we're sure this will be a very special season.

Welcome from the President of Dolphin

It is my great privilege and honour to welcome you all to Musgrave Park for the 2021/2022 season. I hope you enjoy the warm and friendly atmosphere of our Club.

This is the 119th season in the history of our Club. Such history forms an important part of the ethos of our Club. The tradition of Equality, Sportsmanship, integrity and love of the game have been ingrained in us by the generations who have gone before us in Dolphin RFC.

The future of our Club lies in our Under Age structure for both boys and girls. We are deeply indebted to all the coaches volunteers and parents who freely give of their time. The future of our great Club is in very good hands.

I am particularly delighted with the introduction of Women's/Girls rugby into our Club this season. They are welcomed with open arms and I'm quite certain they will make an enormous contribution to our Club.

We could not exist without the financial support of our sponsors. We are indebted to our Main Sponsors, Kearys Nissan and our sponsorship partners McDonalds and Readons and our all our other team sponsors, pitch and programme sponsors. I strenuously urge all members and their families to support our sponsors and put as much business as possible their way. They deserve our full support.

To all our volunteers, thank you. Without you, our Club would not exist. You make our Club the vibrant, fun filled place that it is.

To all our teams, good luck for the season. Make our Club proud by playing good running Rugby and very importantly give all referees 100% respect as without them there is no Rugby.

Crescent College

Crescent College won the Munster Senior Schools cup in 1947, Father Guinane (better known as The Ginner) kept the side together and was instrumental in the set up of Old Crescent that September. In 1951 they reached the Munster Junior Cup final and attained Senior status in June 1952. The clubs first president was Ivan Harris father of the legendary Richard Harris who played with the club.

They purchased land at Rathbane and opened their club house in 1968. In 1975 they purchased more land at Rosbrien and their new clubhouse was opened in 1983 and the Rathbane grounds sold on to Limerick FC. In a further development in 2015 the club doubled the size of it's grounds to 25 acres and now have four full pitches, training areas and a car park with a 250 vehicle capacity. The grounds were renamed Takumi Park earlier this season.

John O'Mahony has fond memories of Rosbrien, it was there he became the 3rd player to reach 1,000 AIL points.

Old Crescent won the Division 2 title in 1995/96 winning all of their games, in 2002-03 Dolphin defeated Old Crescent at Lansdowne Road in the Division 2 final.

The sides have met 15 times in the AIL, three times in last two league campaigns, following a 13 year gap

The results have been very even, seven wins and a draw each- interestingly Dolphin won first game and lost the next four, then won the next four. Of the first eight games, there was only one game in Limerick, followed by five games on the trot in Limerick.

James Coughlan scored 37 AIL tries for Dolphin, but only managed one against Old Crescent. Jack Clarke, Tomás O'Leary Alan O'Sullivan and Cam O'Shaughnessy each scored two tries against Old Crescent.

A man who featured for both sides in recent years is Will Hanley.

Old Crescent were the winners of their home leg with a 33-12 victory over Dolphin in November.

MICK LANE

British & Irish Lion No. 329

A couple of weeks ago, many former British & Irish Lions, or their families received a lovely surprise in the post, receiving a B & I cap. Mick Lane who was recently 95, was on the 1950 Tour to New Zealand & Australia. The UCC winger made his international debut for Ireland against Wales in March 1947 in the then Five Nations Championship

He missed out on the 1948 Grand Slam through injury. He was back for all four of Ireland's matches in the 1949 Championship. They retained the Championship and the Triple Crown, narrowly missing out on back to back Grand Slams.

Another highlight for 1949 was his only appearance for the Barbarians during the Easter Tour against Cardiff, also scoring a try.

He impressed sufficiently in his four international appearances in 1950 to be selected for the B & I Lions Tour to New Zealand & Australia. He made a total of 11 appearances, scoring four tries on tour. A test winner against Australia and his appearance against New Zealand, resulted in a narrow loss.

He made three appearances in the 1951 Five Nations when Ireland once again won the International Championship. It would have been a second Grand Slam in four years had Wales not equalised to make it 3-3 in the final game at Cardiff Arms Park.

He played twice against South Africa in December that year, a test match for Ireland, and also with Munster. That was his only non Five Nations International.

Australia & New Zealand 1950

In the second of his two appearances in the 1952 Five Nations, Lane scored his only points for Ireland with a try against Scotland. His final (17th) appearance for Ireland came during the 1953 Five Nations. The former Irish Sprint Champion transferred to Dolphin the following season.

It was interesting to note that in his 17 Ireland appearances, the opposite winger in seven games were Dolphin men, Bertie O'Hanlon & Maurice Mortell.

His nephew Mick Kiernan, himself an Irish 200m champion also played for the B & I Lions. Mick Lane's sister Angela was married to Jim Kiernan. Another team mate, Gerald Reidy was married to Jim Kiernan's sister Anne.

He played for Dolphin for just two seasons, at the end of the 1954-55 season both he and fellow B&I Lions player J S McCarthy retired.

He found himself opposite Jim Kiernan in December 1954 when playing for Dolphin v UCC in the Cork Charity Cup Final. Dolphin led 3-0 until seven minutes to go when Kiernan put over an equalising penalty from near the side-line, 35 yards out. The Cork Examiner reported an unusual event, when the equalising kick went over, one of the College players fainted with excitement, but was able to continue. Dolphin won the replay.

Dolphin also defeated UCC in the Munster Senior League final, while having played in earlier rounds, Mick Lane was unavailable to play in the final.

Lane was inducted into the Rugby Writers of Ireland Hall of Fame in 2011.

His sons, Joe & Martin played Senior for Dolphin, Martin is currently the club's Grounds Chairman and a member of the Club Management Committee.

Dolphin Short's

It's hard to believe that it is 14 years since one of Dolphin's great characters passed away, Billy St John aka Billy Neiland, or The Doc. There is a whole generation who never knew or heard of Billy, but it's time to correct this. There are some classic stories, but there are probably a lot more still out there. So, for that reason we are asking for members to submit their stories so we can pay tribute to Billy in a future programme- please send the details to gerathome@gmail.com.

Our deepest condolences to our former Senior Player and Team Manager, Alan Miller on the recent passing of his father Des.

Dolphin travel to Ballymena next Saturday 5th March. Are you travelling up on Friday afternoon, we have a request from one of the senior squad for a lift on or after 4pm on Friday, can you help out.

Bonus Point Tries

47 resulted in a win. 1 resulted in a draw.

9 still resulted in a loss- 5 times it was a double bonus point.

Dolphin's have obtained a losing try bonus point against Leinster sides in 5/181 fixtures. Ulster 2/85, Connacht 1/21. They have found it hardest against fellow Munster sides, 1/154 (Cashel 2018-19)

U14 BOYS Great win for the u14 boys in the South Munster u14 group C against Douglas last week. Tries by Rory Cullinane (2), Sean FitzPatrick (2) and James Martin (3) with 5 conversions by James Martin signaled a long awaited return to league action. Despite not having trained in two weeks the team put out a great performance to keep the campaign on target. Final score was Douglas 14 - Dolphin 45.

GIRL'S RUGBY

This time last season, Dolphin did not have a Girls U 14 side. Not only do we have one now, but we have a team in the Munster League final.

They defeated Clonakilty Red (Clonakilty are way ahead of all other clubs as they were able to enter 2 sides in the league) in a dramatic 22-19 victory. We wish them well for the final against Shannon.

We hope you are enjoying the digital programme. There is a lot of time and effort going into produce this and we would ask you to show your appreciation by sponsoring a Page/Half Page advert, the monies raised will be used for the running and development of the club.

The cost of a full-page advert will be €250, with a half page would be €150.

This includes one free change of advert per annum.

The Promotion Story continued

1996/97 Games 6,7 & 8.

Dolphin had a good start in the Mardyke, tries from Tim O'Connell and Denis O'Dowd both converted by Conor Mahony who also kicked two penalties set Dolphin up for the victory. In the last minute UCC got a try in the corner to bring them to one point behind.

Of all people to have the opportunity to snatch victory from a conversion from the corner flag, John O'Mahony who went on to kick 132 conversions for Dolphin very narrowly missed.

Two weeks later and Dolphin were top of the table again following a 24-6 victory over Highfield- another excellent performance by Conor Mahony who scored two tries and conversions while Tim O'Connell scored another try and Brendan Keary the 4th try.

1948 GS Winners Bertie O'Hanlon & Jack Kyle

2009 GS Winners, R O'Gara, Bertie O'Hanlon D Kidney

Born in Ballyclough, Mallow, his father was dispensary doctor, on his death, the family moved to Cork in 1932 he was introduced to rugby at PBC. At the age of twelve, he became a boarder at Rockwell College. An all-round sportsman, he also represented Rockwell at Gaelic Football and was South of Ireland sprint champion over 100 and 220 yards and long jump champion for two years.

Played scrum half on Junior cup side that also contained Dr Paddy Hillary President of Ireland

He moved to centre and played Senior Schools Cup for three years and in 1942 beat PBC in the final with Gerald Aherne at scrum half.

Rockwell College failed to retain the trophy in 1943, he agreed to play with Cork Constitution in the Munster Senior Cup. They sent a taxi to the school for him to bring him to Mardyke to play in MSC semi-final. They won and while he was a substitute for the final v the Army he still got his first MSC medal, he also won Minor Cup and League medals. He played in the Munster Junior Cup with Clonmel, but they were defeated in the final.

With all his friends in Dolphin he joined Dolphin in September 1943 but missed much of the season through injury. In 1945 Dolphin retained the MSC so Bertie claimed his second medal. Also, in 1945 he made his Munster debut, scoring two tries and playing against each of the other three provinces. Interestingly he played centre for Munster and later wing for Ireland.

He scored two tries on his international debut, a 22-0 victory over England on 8/2/1947. Barney Mullen tried a drop goal, it screwed off his foot and Bertie won race for touchdown. There was no luck involved in second try he collected a kick on his own 10-yard line, beat defender after defender to score by the posts. He was just the 2nd Irish player to score two tries on his debut.

He was selected thirteen times for Ireland but had to cry off against Australia in 1947 because of injury. He had a short international career of four seasons (1947-1950) that was littered with honours, two Triple Crown's and the Grand Slam. The pinnacle of his career should have been the Lions tour of New Zealand & Australia in 1950, in those days the tours lasted 6 months and he was asked by the IRFU to allow his name to go forward but his employers would not release him.

In 1948 he was Dolphin vice-captain and they were victorious in the MSC, and he won his 3rd MSC medal.

In 1951 he dislocated his shoulder in the Senior Cup v Cork Constitution, it never knitted, and his career was over at 28.

He died in 2016 at 91, the last surviving member of the 1948 Grand Slam Team.
